

The following services are provided by all of the Kronos Group Points of Service:

√ **Berth Reservations**

Phone, fax or e-mail us the details of your vessel to reserve a berth anywhere in Greece.

√ **Clearance Formalities**

Legally authorized to act as a clearing agent, clearing yachts in/out of Greek waters, we have corresponding agents throughout the Greek Islands who will be happy to assist you for the duration of your visit to Greece.

√ **VIP Services**

We provide all types of air-conditioned transportation for your VIP guests - luxury cars, limousines, etc.

We also offer helicopter or private jet charter for any destination.

√ **Transfers & Tours**

Our office can organize all your transfers from or to the airport.

We can provide you with tours tailored to your needs and demands to all the archeological sites and must sees. Always with you, should you wish it, will be one of our certified tour guides and translator to ensure the best experience possible.

All of our deluxe minibuses are equipped with air-condition. Finally, we can arrange for you private limousines or any other kind of car you want, with or without multi-lingual professional

guides.

√ **Duty Free Bunkering**

It is important for you to know the quality and quantity of the fuel and lubricants you order.

As licensed gas oil agents working directly with the major international marine bunkering companies, we deliver diesel direct to yachts in our own trucks, so quality and accuracy are assured.

We also supply lubricants, chemicals, cleaning liquids and all types of air-oil filters.

Fuel samples are provided to captains on request and, if required, we can provide an official fuel analysis as supplied by the state refinery. Our bunkering service, including Duty Free fuel to eligible vessels, operates throughout Greece, but please note that Duty Free fuel is not available on every island. Contact us for details.

√ **Provisioning**

Either fax ahead or ask on arrival. Your every provisioning need can be catered for – fresh fruit & veg. meat & fish, flowers, wines & soft drinks, local specialties, cleaning and housekeeping items, uniforms ... and anything else you might need!

If you require items not locally available we undertake to get them to you in the shortest possible time through our network of co-operating agents.

√ **Transfer of Funds**

Through our holding account, yacht owners/management companies may transfer funds for running expenses/A.P.A. etc. for payment in cash to their captains.

√ **Entertainment**

We organize parties on request, including music, decoration, entertainment, catering, fireworks displays or anything else you may require.

√ **Office Facilities**

Our office is at your disposal for all your needs. You can use our address to have packages, spare parts and mail forwarded from anywhere in the world.

Storage facilities are available to hold packages until your arrival or until required.

Phone fax, Internet and Wi-fi available.

√ **Chandlery**

All your chandlery needs can be supplied – from a tiny screw to a major spare part.

We co-operate with selected experts to provide yachts with high quality maintenance and technical support throughout Greece.

We can put you in touch with electricians, mechanics, sail makers, carpenters, air-conditioning services and many others.
